

Conviction Review Unit
PETITION FOR REVIEW

DAVID ARONBERG
STATE ATTORNEY

Complete this form in its entirety to petition our office for review of a qualified conviction. Be sure to include copies of any documents that support your petition/claims. *Do not send original documents or your only copy of any documents.* This form and supporting documents may be mailed to:

Office of the State Attorney
Fifteenth Judicial Circuit
Attn: Conviction Review Unit
401 N. Dixie Highway
West Palm Beach, FL 33401

Where "petitioner" is indicated, provide defendant information. A section has been provided for additional information if the applicant is not the petitioner/defendant. The following requirements govern acceptance for review of any petition:

1. You must have been convicted in the Fifteenth Judicial Circuit (Palm Beach County) of a felony.
2. You must present a plausible claim of actual innocence (you did not commit or participate in the crime charged).
3. The claim must be supported by information or evidence not previously litigated before the original trier of fact (jury or judge).
4. The claim must be capable of being investigated and resolved, and if substantiated, would bear directly on the issue of innocence.
5. The direct appeal has become final, the mandate has issued, all collateral and postconviction remedies have been exhausted and there is no pending litigation.

The Conviction Review Unit ("CRU") *is not* reviewing lawful sentences. The CRU *is not* reviewing affirmative defenses, claims, or information/evidence that were previously considered and litigated before the original finder of fact (jury or judge).

Initial each statement below to indicate your understanding and agreement:

_____ Requesting review of your case by our office will not toll the time you have to pursue post-conviction remedies, such as filing an appeal or postconviction motion. You need to pursue those remedies separately and before requesting CRU review.

_____ Acknowledgment of receipt of the petition by the State Attorney's Office does not indicate acceptance of the case for investigation, nor does it infer acceptance of the validity of the claim of innocence.

_____ I have read and understand the policies and regulations of the Fifteenth Judicial Circuit Conviction Review Unit.
